ALL YOU NEED TO KNOW ABOUT FIRE SYSTEMS!!

Thank you Belfor Property Restoration, Delta Fire and Great Basin Fire Protection. This event was held on June 12, 2013 and it would not have been a great success without you! We also would like to thank Kevin Sigstad for allowing us to use his facility. Kevin Sigstad has been an IREM member for 9 years and we are thankful that we can count on him for his continued support!!

All of our IREM members whom attended learned a lot in this live workshop. They were able to see a fire system from the backflow preventer, fire riser to the enunciator panel and get their questions answered by very knowledgeable technicians. They were also taught how to use a fire extinguisher and how to properly put out a fire. Then they were able to get a look at the clean-up and restoration side if a disaster does happen. This workshop was unforgettable.

We had our IREM Regional Vice President Libby Ekre attend our event. We would like to thank her for taking the time to attend our workshop!!

Thank you Belfor Property Restoration for providing an amazing lunch to all of our attendees!!!

See you next event!!!

Happy Birthday
